The Annual Meeting.

The thirtieth Annual Meeting was held at the Owain Glyndwr Institute on Friday, November 3rd, 1933, and was well attended, Mrs. Bonsall, M.B.E., J.P., presiding, and was supported by the Vice-Presidents and Officials.

In her opening remarks, the President referred to the progress that had been made in reference to the new hospital, and made a strong appeal to all who had not already contributed, to do so to the best of their ability, however small the sum. She also referred to the great loss they had sustained by the death of Miss Agnes Griffiths.

HON. TREASURER'S REPORT.

The statement of accounts given by Mr. Hughes shewed that the total balances were £196/9/9, which with £273 invested during the year made £472/7/0, against £463/15/10 last year, an increase of £8/11/2. Receipts for the year were £642/13/1 and expenditure £636/3/5, so that on the year's working the Association was £6/9/8 to the good. The report was adopted.

REPORT OF MACHYNLLETH INFANT WELFARE CENTRE.

During the past year the attendance at the clinic has been very satisfactory. It is quite evident that a good many mothers in Machynlleth and the immediate neighbourhood now fully appreciate the value of regular attendance at the Centre, and are anxious to benefit by the help and advice which they get from those in charge. Dr. Richards (County M.O.H.) and Miss Breese (County Superintendent of Nurses) attend each month, as also does Nurse Wood. It is pleasing to note that some mothers come quite a distance in order to attend the clinic, and are amongst the most faithful. That fact speaks for itself as you will all agree. Besides the regular weighing of each child every month, a close watch is kept on the progress of the child, and if any weakness is detected the mother is given medical advice and help. It is gratifying to think that many children will be saved much suffering in their later years through this early attention to the weakness.

Last year again, through the kindness of friends, we were able to hold our Christmas party, and as usual it was much enjoyed. We feel we owe these friends many thanks, for without their generous help it would not be possible to provide such enjoyment as the Christmas party always gives.

Mrs. ROWBOTHAM } *Hon. Secretaries,*
Mrs. J. THOMAS }

HON. SECRETARY'S REPORT.

The following is a summary of the Hon. Secretary's report:—

Report of District Work.

The District Nurse, Miss Blodwen Wood, attended 120 cases during the year: 77 medical, 28 surgical, 15 maternity and mid-wifery, and paid 1,897 general and 282 maternity visits.

Health Visiting.

The number of health visits paid was 734, antenatal 98. Attended the Infant Welfare Centre twelve times. Number of nights on duty, 17.

School Visiting.

Number of visits paid to schools 41; Machynlleth Church of England 9, Machynlleth Council 8, Penegoes 9, Derwenlas 9, Aberhosan 3, Uwchygarreg 3. Visits to homes of children 334. The Nurse also assisted the M.O.H., Dr. Richards, at the annual inspection of the six schools, when 242 children were examined.

It will be seen from these figures that much useful work has been done on the district. The schools have been visited periodically and the number of visits paid to the homes has increased. This is an important branch of the work of the District Nurse and it is very well done.

Report of Hospital Work.

The number of patients admitted was 63, compared with 68 in 1931-32; men 22, women 27, children 14, patients recovered 56, patients relieved 2, transferred 2, deaths 3. Average time in hospital, 16 days; number of operations performed, 20; patients in hospital on October 1st, 3; the number of patients who received treatment free of charge was 29. Number of full nights duty done by the Matron and Staff, 12; part nights duty, 74.

The patients came from the following districts: Machynlleth 28, Corris 6, Aberllefenni 2, Pennal 2, Esgairgeiliog 3, Liverpool 2, Glasbwl 3, Pantperthog 3, Aberhosan 3, Llanwrin 2, Penegoes 2, and one each from the following: Dolgelley, Llanbryn-mair, Hereford, Eglwys Fach, Cemmes Road, Derwenlas, and Treddol.

Report of Out Patients Department.

Total number of patients 120; men 31, women 34, children 55, and seven minor operations were performed.

These patients were supplied with dressings from the Hospital Stores, and all the children were treated free of charge.

Although the number of cases admitted to the Hospital has been less than last year, there have been very serious cases treated, and as will be seen, the number of those who received treatment free of charge is still high.

The district and Hospital were visited twice during the year by the inspectors of the Queen's Institute for Nurses, and the following satisfactory reports have been received:—

“Miss Jones was caring for the patients in the hospital in an unsparing way, and the wards were in their usual good order. The maternity work in the district was very well done, and the books and equipment were in order.”

“Everything was in good order at the hospital and the work seen was quite satisfactory. The district work was light; one patient was attended, who was carefully nursed, and three infant health visits were paid. The equipment was in order.”—(Signed) A. C. Lowe, Secretary.

The well wishers of the Association have been very generous in their gifts to the Hospital each month during the year, and have already been acknowledged in the local press.

We acknowledge with grateful thanks the proceeds of various functions held during the year.

Mr. W. Williams, part proceeds of entertainment at the Powys Cinema.

Llyfnant Sheep Dog Society, proceeds of trials and sports held at Garthgwynion.

Dr. Dan Davies, surgical instruments.

Hospitals Savings Association, a donation from surplus funds.

Mr. John Lumley, for a gift of coal.

Special Effort.

The parapet collection organised by the Matron on May 16th brought in £31/7/3. The annual sale of household goods, produce, cake and jumble, on October 5th, and organised by Mrs. D. Owen and Mrs. Jones Evans, did not realise as much as last year, but there may be reasons why this is so owing no doubt to general trade depression and unemployment. The tea arrangements were in the hands of Mrs. Elias Jones, and to them and to the band of willing helpers we would tender our most sincere thanks. We would also like to thank Mr. Peter Vaughan for the use of the crockery, and also unemployed men for helping in mowing, etc., the plot in front of the Memorial, and for odd jobs about the Hospital.

The Committee have sent a substantial sum to the fund of the tribute to Lord Davies of Llandinam.

During the year, Mr. T. P. Rees, Barclays Bank, left the town for Lampeter. Mr. Rees interested himself in the work of the Association, and at a committee meeting held on April 7th, it was unanimously passed to place on record an appreciation of his valuable services. We welcome his successor, Mr. T. M. Hughes, to our midst.

Dr. Max Davies and Dr. Price have left the neighbourhood since the last annual meeting. Dr. Nolan, Corris, and Dr. Burrell, Aberystwyth, have been appointed on the hon. medical staff of the Hospital. We have also secured the services of Dr. Howell Evans, London, and Dr. Trubshaw, Dolgelley.

New Hospital.

Owing to unforeseen circumstances, we have to report that the scheme has been held up during the first months of the financial year, but we are glad to report that good progress has been made latterly, and we sincerely hope that in the near future the foundation stone will be laid, and that before the end of the year Machynlleth will be the proud possessor of an up-to-date hospital with a medical staff second to none in the county.

Several successful efforts to augment the funds of the new hospital were held during the year. "Bring and buy" sale at Bronwylfa, by the kind invitation of Dr. and Mrs. Ashton. "Bring and buy" sale at Fronfraith, by the kind invitation of Mrs. Bonsall, and a bridge tournament at Plas Llwyngwern, organised by the Hon. Mrs. R. Beaumont. We should like to thank all those who helped to make these functions a success, and also for the support given by the Cardiganshire ladies.

We much regret the passing of Miss Agnes Griffiths, one of our vice-presidents. Miss Griffiths, as everyone knows, took a keen personal interest in all social work in the town, and to our Association she gave of her best.

Mr. Lloyd Owen, chairman of the Building Committee, reported that enquiries regarding tenders had been received from eleven firms, and these would be considered shortly. Sir Howell Williams, London, had expressed himself as very well satisfied with the plans, and Dr. Llewelyn Williams, Ministry of Health, had approved of the Maternity Ward section of the Hospital. So far no general appeal for funds had been made, and already about fifty had subscribed.

The meeting closed with a hearty vote of thanks to the Doctors, Nurses, Collectors, and Hon. Auditor, Mr. R. E. Morgan, and to Mrs. Bonsall for so ably presiding. All the officials were re-elected.
